### New Students Orientation

Prior to the official start of the school year, the Woodrose Student Council welcomed this year's new students last August 1, 2024 through an orientation, where they toured the campus, played icebreaker games, and even met and enjoyed snacks with some of their batchmates.

### First Week of School

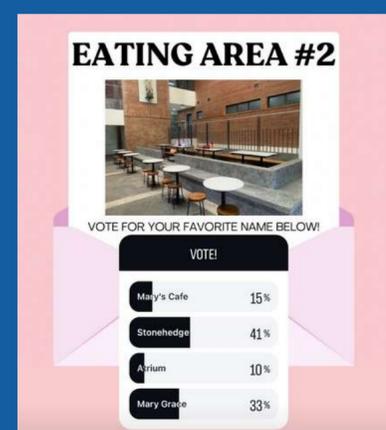

The First Week of School was held last August 6-9, 2024. The Woodrose Student Council prepared a week's worth of fun-filled activities to welcome both returning students and new students to the new school year.

### Preparation

In preparation for the First Day of School, the WSC posted countdown stories introducing the new officers for SY 2024-2025.

On August 5, the officers also went to Woodrose to decorate the campus with red and blue balloons and foil curtains. Additionally, they prepared an interactive bulletin board in the HS Patio for students to place name suggestions for the new eating areas, which they later voted on through WSC Instagram polls.

### First Week of School

#### First Day of School (August 6, 2024)

When the First Day of School finally arrived, the WSC welcomed students entering the gate with red and blue balloons and foil balloons that spelled out “WR 24-25!”

After joining the eucharistic celebration of the Mass of the Holy Spirit, the WSC also prepared sorbetes and taho stalls as welcome treats for the whole school community to enjoy!

### First Week of School

#### Third Day of School (August 8, 2024)

Just like every other year, highschool students had their interbatch orientation, where student volunteers from each batch briefed and gave tips to the batch directly below theirs, on what to expect from the current grade level.

#### Fourth Day of School (August 9, 2024)

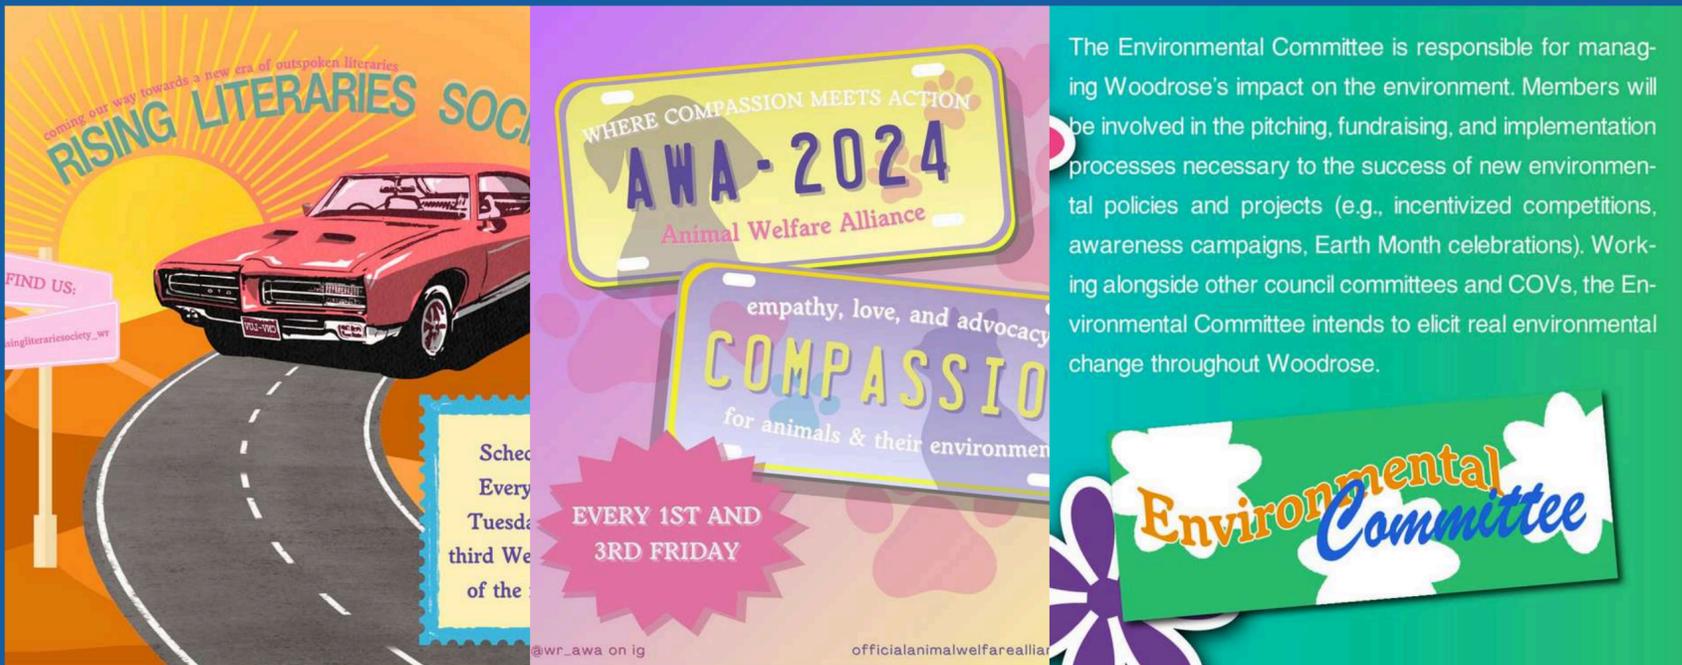

To end the First Week festivities, all HS students gathered in the Gym for the Highschool Student Assembly. Here, the faculty and staff were formally introduced, and the students were welcomed by our executive director, Dr. Gina Rama. The SHS and IBED principals, Mrs. Divine Adajar and Mrs. Cheyenne dela Fuente, respectively, gave their welcome remarks. Later, the WSC were called on stage for their oath-taking ceremony.

### COV Launching

Unfortunately, the WSC was not able to hold an onsite program for the launching of Clubs, Orgs & Varsities (COVs) due to the class suspensions. However, they bounced back from this hindrance with the teamwork of the COV heads and Council Committee heads, under the leadership of WSC Vice President, Ari del Rosario, and thanks to the guidance of Mrs. Malou Roque, the Student Activities Coordinator. A slide presentation containing promotion videos was instead presented during CAP time, and Google Forms were given to the students so they could sign up for their chosen COVs and Council Committees. Additionally, the WSC promoted the sign-ups through their social media platforms and the bulletin boards from September 11 to 25, 2024.

## Teacher's Week

A week-long celebration from September 30 to October 3 was dedicated to honoring our hardworking and loving teachers and mentors, ending with a free day for the entire Woodrose community. The theme of this year's Teacher's Week was the Olympics, recognizing the many talents and skills of our teachers, or rather, the "sports" they're good at!

To surprise the teachers as soon as they came to school, the WSC prepared a box of tokens for each teacher, containing face masks, teabags, notebooks, chocolate coins, headbands, White Flower, medals, and certificates, which they placed on their seats in the faculty rooms the day before.

## Teacher for a Day

The Teacher's Week festivities started with Teacher-for-a-Day, wherein students pretended to be their subject teachers and taught their classmates, while their teachers played the role of students and participated in the discussion and tasks prepared by the student teachers!

## Teacher's Week

### Spirit Squad Skit

The program was then followed by one of the most exciting activities during Teacher's Week, wherein both JHS and SHS students gathered at the newly renovated highschool courtyard to watch a special Olympics-themed skit prepared by the WSC Spirit Squad Committee, and all the teachers enjoyed the performance from the front row!

### Teacher's Day Raffle

Organized by the WSC Outreach Committee, students entered their favorite teachers and mentors for a chance to win gift certificates and prizes from the sponsors, Dunkin' Donuts and Coca Cola! The proceeds amounted to P10,260, which went directly to the Woodrose Auxiliary Fund.

### Student Performances

Showcasing the various talents of the students, the Teacher's Day program then continued with song numbers from Grade 12 student, Alex Cuna, and Grade 10 students, Jiselle Ramos and Catherine Castro, as well as a dance performance from Grade 10 Woodrose Dance Crew members.

### Classroom-Based Activities

As per the request of majority of the teachers, students from all batches prepared different forms of entertainment and arts and crafts in their respective classrooms for teachers to be able to visit, participate in the activities, and spend time with their students.
