## 20th Eucharistic Procession

With Father Francis Ongkingco's special request to create excitement for the Eucharistic Procession, as a way to celebrate its 20th Anniversary last November 23, the WSC conceptualized fun reels, which featured the officers, the students, and even the school chaplain. Thanks to the quick action of the Broadcasting Committee Heads to film and edit these short videos, the 20<sup>th</sup> Eucharistic Procession successfully gained lots of attention, making students eager for the event's important milestone.

### Moana 2 Movie Screening

Given many successful movie screenings in the past school years, the Woodrose Student Council organized yet another screening—this time, of Moana 2 in Alabang Town Center last November 30. Since this project was a Family Day fundraiser, many parents, teachers, and students came to show their support, quickly selling out the tickets 2 days before the event.

### Event Marketing

With the creation of a new TikTok Account, the WSC, JWSC, and Spirit Squad Committee, posted creative and entertaining videos to boost the event and reach an audience in and out of the Woodrose community.

As onsite promotion of the movie screening, the Marketing Committee crafted a mini photobooth, setting up a mirror and Moana-themed props, in the GS and HS patios. For the day of the event, they also printed a life-sized wave standee so people could draw sea creatures! In addition, the Production Committee made a colorful Moana-themed frame for the movie watchers to take pictures with their family and friends.

### FAMCOHSEF 8th World Day of the Poor

FAMCOHSEF's 8th World Day of the Poor in San Pablo Apostol Parish in Tondo, Manila, originally scheduled on November 17, was moved to December 8, due to the unanticipated effects of Typhoon Pepito. With such a change, the SHS students could no longer take part in this activity, leaving it to the care of Mrs. Malou Roque and the WSC Secretary, who led the volunteer students, teachers, and staff.

The JHS students were entrusted with the game portion of the outreach, including ring toss, tic tac toe, memory game, and more! The activity was a success, with the students being able to practice their Filipino skills, socializing with the beneficiaries, and taking away life lessons.

## Noche Buena Gift Packages & Highschool Christmas Program

### Noche Buena Gift Packages

The WSC started the holiday season early by preparing a total of 69 Noche Buena Gift Packages for the school's auxiliary staff. This was especially made possible due to the PROs' coordination with their respective batches in gathering all the contents of the packages and the time the Outreach Committee gave for packing the items.

### Highschool Christmas Program

With the return of the Highschool Christmas Program last December 12, the WSC President finally had her wish granted! The program was complete with song numbers, ballet dances, the Grade 8's Angklung performances, and games, perfectly concluding the year before the break.

## 2nd In Vivid Bloom: Student Art Auction

With the success of last year's In Vivid Bloom: Student Art Auction, spearheaded by WSC Vice President, Ari Del Rosario, this returning annual event was opened with a ribbon-cutting ceremony last January 22, 2025! Here, many talented student artists submitted their best pieces and put them up for a silent charity art auction. These were physically displayed in a 2-week-long exhibit open for public viewing. 50% of the proceeds of each artwork were given to the artist, while the rest was donated to the beneficiary, the Negrense Volunteers for Change (NVC) for their initiatives training and supporting artisans, and providing art kits to impoverished children.

### Family Day 2025: Woodrose Breaks the Internet

Finally, the most long-awaited event by the school community arrived—Family Day 2025: Woodrose Breaks the Internet! The theme was derived from the well-loved Disney movies, “Wreck-It Ralph” and “Ralph Breaks the Internet,” and was decided by the Team Captains and the Production Committee.

### Themed Decorations

To bring the theme to life, the Production Committee decorated the gates and hallways around the campus inspired by colorful settings in the movie to liven up the school atmosphere. The members hand-made candies & lollipops, a car, an arcade booth, and more using recycled materials!

### Merchandise

The event kickstarted with the release of new merchandise, including hoodies, shirts, caps, socks, and temporary tattoos, designed by the Graphic Art Committee, Team Props Heads, and WSC Vice President.
